YOURS

Yours to keep
site and domain in your name

01 WHERE WE STARTED

What we built it around.

01 Proudly manufactured in Canada.

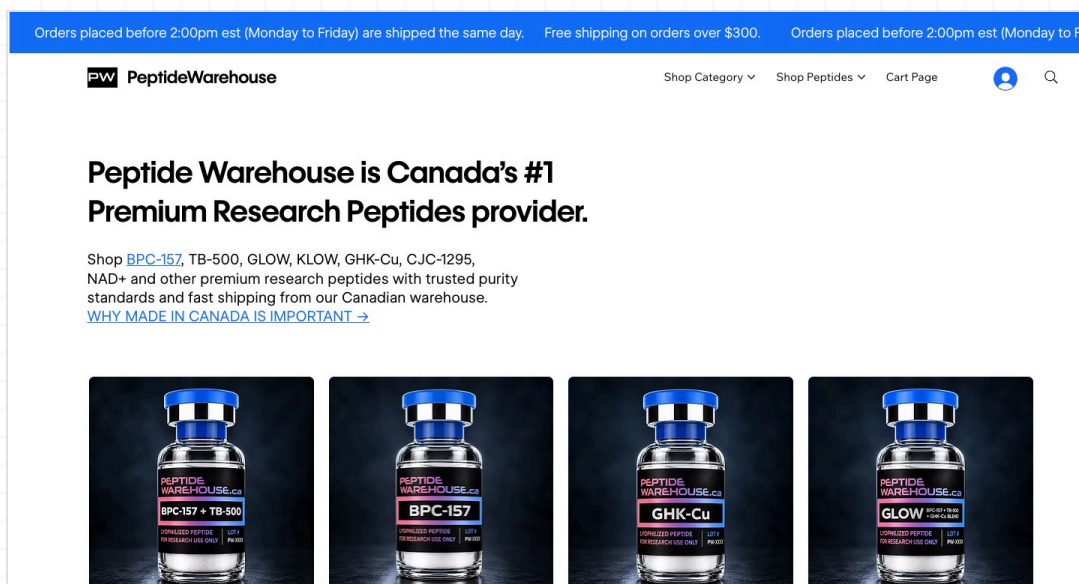

Your own line. Option 1 stands your vial big in a dark studio as the hyphen in each compound's name, in your label's pink-to-blue, with the price and Add to cart right under it.

02 All orders are shipped from our Mississauga warehouse.

From your shipping policy. Option 2 makes the first screen your shelf: your vials with their prices, a picker walking the row, and the 2:00 p.m. same-day cutoff live in the corner.

03 Truly love this cream.

Laura's review of your MAGICI GHK-Cu cream. Option 3 is the light one: the cobalt jar open on warm paper, both sizes and Add to cart beside it.

06 QUESTIONS

The usual questions.

01 Will moving hurt my Google ranking?

We move it carefully. Every page address on your current site keeps working or forwards to its new page, and your titles and business details carry over, so nothing Google already knows about breaks. The new site is fast and built for phones first, which Google rewards. We don't promise rankings.

02 Is it secure?

Yes. There's no WordPress and no plugins to keep patching, the usual way small-business sites get broken into. It runs on modern hosting with SSL, and every version is saved, so any change can be rolled back.

03 Who owns it?

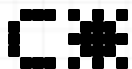

You do. The site and the domain are in your name, not ours. Hosting is included and nothing renews unless you ask. If you ever want to move it, you get every file.

04 How do I make changes?

Text or email me the change and it's live the next business day. The first 30 days are free, then unlimited changes are \$49 a month if you want them, cancel anytime.

05 When do I pay?

Half (\$1,750) when you say go, the rest (\$1,750) when the site is live. You've seen the homepage before paying anything.
